

Today was Saturday and I jumped out of bed. What did I see? I had a little baby elephant carpet!! It looked so bad because the elephant had a dummy coming out of his mouth. The elephant has a pink hat on and it said "I'm a big baby". The normal carpet I had was long, pink and fluffy. I fell over in shock. I thought to take it to the beach and throw it away. I walked out to my mum and dad.

I said "what is going on?"

Mum said "what do you mean?" I said "the little baby elephant carpet?"

Mum said "we just don't want you to grow up."

Then the phone rang. It was my best friend Nicola.

She said "do you won't to come to the beach with me?"

I asked mum and dad. They said "yes you can go."

When Nicola came to my house we went up to my room and I showed her the baby carpet. She said "you should take it with us and dump it in the sea".

I picked up my things and the baby carpet. Off we went.

Nicola said "let's go to the bottom of the sea" and dump the carpet. So we did.

When we got down there, there were little charming red elephants going crazy playing, jumping and swimming. Nicola said "the carpet will fit in just right down here.

Nic said "dump it." I did.

The elephant grabbed it and went and put it on the bottom of the sea. The elephants loved it.

We were freaked out so we got out of the water and run home.
