

My Best Friend

My best friend, Red Elephant has a charm on him. The Queen of England, Queen Elisabeth put the charm on him.

She put the charm on him to be mean to Red Elephant. Red Elephant did not like the charm so he went mad trying to get rid of the charm.

He ran through cities and jumped on houses. But he couldn't go where he wanted to go all the time because the charm made him fly back to the jungle with me. The charm made him come back to me.

When he ran away I yelled out “come back or the charm will make you come back again.”

But he didn't listen. He ran away again. He

Elisabeth made the charm push Red Elephant into the sea because she was sick of him running away.

Then the charm was washed up on to shore. The charm was picked up by a boy. Now Queen Elisabeth could control the boy. Red Elephant was washed up ten weeks later.
